IMPORTANT.—A map showing the location of the post office must be submitted with the return of this paper. A highway map such as prepared by State, county, or local agencies is preferred, if it can be furnished without expense to the Department. Be sure, however, to mark on it the exact site of the post office, placing a small dot in the proper square or block and on the proper side of the street.

If no map can be furnished it is necessary to draw a sketch on one of the diagrams below.

INSTRUCTIONS

These diagrams are furnished simply to make it easier to draw a sketch that will show correct distances from the post office.

SQUARE DIAGRAM

Use this diagram if the post office is located in an area described by section, township, and range, and you have filled in line 3 on the other side. Otherwise use the circular diagram.

Place a small dot representing the post office in the proper quarter-section and fill in the blanks for township and range numbers.

Then draw the following features: (Note that one-half inch on the paper equals 1 mile on the ground.)

- Adjacent post offices (show with small dots and name).
- Railroads (show by single line with cross marks; name).
- Highways (show by double lines close together and mark U. S. and State numbers; name in margin the post office to which each road leads).
- Rivers, creeks, lakes, etc. (show by wavy lines and name).
- County line (show by dashes).

CIRCULAR DIAGRAM

Use this diagram if the post office is NOT located in an area described by section, township, and range.

Let the dot in the center of the circle represent the post office.

Then draw the features *a*, *b*, *c*, *d*, and *e*, as described above. (Note the scale of this diagram: One-quarter inch equals 1 mile.)

S
Scale: $\frac{1}{2}$ inch equals 1 mile

PROPOSED CHANGE IN

ST OFFICE

DIVISION OF POSTMASTERS

Post Office Department

FIRST ASSISTANT POSTMASTER GENERAL

Washington

IN REPLYING
MENTION INITIALS AND DATE

AF-PG

October 29, 1942.

*H.H. Assistant
P.M. Lopp.*

MAY 14 1943
JUL 10 1943

SIR:

With reference to the proposed change in site of the post office named below, and in order that the office if changed to the proposed location may be accurately represented upon the post-route maps, it is requested that you carefully answer the questions below and furnish a sketch according to instructions on opposite side of paper, which should be returned to the First Assistant Postmaster General, Division of Postmasters, as soon as possible.

Respectfully,

FIRST ASSISTANT POSTMASTER GENERAL

----- PALMER LAKE ----- EL PASO ----- COLORADO -----
(Post Office.) (County.) (State.)

If the town, village, or site of the post office be known by another name than that of the post office, state that other name here *None*

The post office, if changed to the proposed site, would be *300 feet* air-line distance, *West* (N., S., E., or W.) from its present location.

The post office would be situated in the *S.W.* quarter of section No. *5* in Township *11S* Range *6W* of the *6* principal meridian, County of *El Paso* State of *Colorado* (N., S., E., or W.) (N. or S.)

The name of the nearest river is *None near* and the post-office building would be at a distance of ----- on the ----- side of it. (N., S., E., or W.)

The name of the nearest creek is *Monument* and the post-office building would be at a distance of *One half mile* on the *North* side of it. (N., S., E., or W.)

The name of the nearest office on the same route as this post office is *Monument Colo* and its distance is *Three* miles, by the traveled road, in a *N.E.* direction from the proposed site of this office. (N., S., E., or W.)

The name of the nearest office on the same route, on the other side, is *Greenland, Colo* and its distance is *Six* miles, in a *North* direction from the proposed site of this office. (N., S., E., or W.)

The name of the nearest office not on the same route as this post office is *Eastonville, Colo* and its distance is *25 to 30* miles, by the traveled road, in a *East* direction from the proposed site of this office. (N., S., E., or W.)

The post office building would be on the *West* side of the *Denver & Rio Grande* Railroad, and at a distance of *1/2* mile from the station. The railroad station name is *Palmer Lake, Col*

The post office would be *One mile* air-line distance, *North* from the nearest point of my county boundary. (N., S., E., or W.)

Signature in full: *Mrs. Evelyn S. Myers*

Date: *May 11 1943*

If the State is surveyed designate the proposed site of the office on this page.

DIAGRAM, EXPLANATION, AND INSTRUCTIONS.

Indicate upon the diagram the proposed site of the post office by placing a dot in the proper quarter section.

The surrounding offices and the present site of this office should be accurately located and the names plainly written.

Draw distinctly the railways, roads, rivers, and creeks.

The post office would be situated in the SW quarter of section No. 5
in Township 11 S., Range 61 W., of the 6th principal meridian.

In localities not surveyed by the U. S. Land Office, a sketch map is requested.
